Project Teignmouth Harbour Commission, Licence Renewal

Client Teignmouth Harbour Commission

Project Teignmouth Harbour Commissioners contacted the Bates Partnership to request renewal of their licence in light of their licence for the disposal of dredged material coming up for expiry.

The Bates Partnership were engaged to:

- Review historical information;
- Support THC with the preparation of a sampling plan;
- Complete the MMO application form;
- Prepare Water Framework Directive Compliance Assessment;
- Prepare SW Marine Plan Policy Compliance Assessment;
- Finalise all documents for submission to MMO; and
- Liaise with THC and MMO on the application.
